

Structure & Organisations

core mission, connections
and influences of the
Organisations in the
University Sports and in close
relationship to University
Sports

recommendation

memberships

recommendation

performance agreement

The (legal) separation of the Institute of Sports Science and the University Sports Departments is the result of their different tasks.

Some universities established Sports Centers in their autonomous organisation structure that include both - but they operate independently.

research cooperation with Olympic Training Centers

other Universities* at the same Location

University Sports Departments are supporting the grassroots sports for all students and employee of the Universities, the Universities of Applied Sciences, the Private Universities and the Universities of Education at the same location.

* including cooperations with Universities of Applied Sciences such as FH Kufstein Tirol and Private University Schloss Seeburg Salzburg

Universities with University Sports Department:
